

PUBLIC NOTICE

Registration of Tourism Facilities with the Zimbabwe Tourism Authority (ZTA)

The Government of Zimbabwe, in its ongoing efforts to improve the Ease of Doing Business, has significantly reduced licence and registration fees across all categories, with the objective of fostering a competitive, compliant, and sustainable tourism sector.

In this regard, and in terms of Section 36 of the Tourism Act [Chapter 14:20], the Zimbabwe Tourism Authority (ZTA) hereby notifies **ALL** tourism-related businesses (designated tourist facilities) that registration with the Zimbabwe Tourism Authority is mandatory and a statutory requirement.

Failure to register will result in the **CLOSURE** of unregistered facilities.

To enforce compliance, the Zimbabwe Tourism Authority, in collaboration with law enforcement agencies, will conduct nationwide inspections across all ten provinces to verify registration status, ensure adherence to regulatory standards, and take enforcement action against all non-compliant operators.

The public is strongly discouraged from utilising unregistered tourism facilities and is encouraged to report any facility operating without valid registration to the Zimbabwe Tourism Authority.

The deadline for registration is **28 February 2026**. The inspections and blitz will commence from **1 March 2026**. For more information and to begin your registration process, please email registration@ztazim.co.zw or kindly visit any of our offices nationwide.
